Consumers and the Economic Outlook - UK

“Rising inflation and concerns about stock shortages have shaken consumers’ sense of financial wellbeing and confidence for the coming year. It is important to place the falls seen on these measures in October in context, however: the vast majority of consumers remain fairly upbeat.

Consumer Attitudes towards Debt and Credit - UK

“Consumer credit will return to growth in 2021 and will be sustained by pent-up demand in the next couple of years as consumers take the opportunity to make up for cancelled and delayed plans. However, while many households have managed to improve their finances during the pandemic, some of those ...
