

**July 2019****Consumers and the Economic  
Outlook Q3: A Look at Both Sides -  
US**

"A lot of coverage has been given to the growing divide between political views in the US. While there may be cultural and moral differences that cause fundamental shifts in beliefs, some underlying concerns, specifically financial ones, are more similar than different. However, if a consumer's personal belief system aligns ...

**January 2019****Consumers and the Economic  
Outlook Q1: Defining Financial  
Success - US**

"The US economy continues its slow upward trajectory, even as discussion of tariffs and trade discussions cause the stock market to fluctuate a great deal. US unemployment – already at extremely low levels – decreased further in October of 2018, while labor force participation remained steady. Despite a slight dip ...
