

**June 2018****Consumers and the Economic  
Outlook - Quarterly Update - UK**

“The increase in confidence that we discussed in Consumers and the Economic Outlook – UK – March 2018 clearly wasn’t a one-off. Our confidence data has been running for almost a decade now, and people’s assessments, both of their current financial situation and how they expect their finances to shape ...

**Underwear (incl. Loungewear/  
Nightwear) - UK**

“Growth in the UK underwear, nightwear and loungewear sector has been strong, with sales boosted by an increase in the amount of time people are spending at home, which has in turn driven a new demand for nightwear and loungewear products. The market is highly competitive, with a broad assortment ...

**May 2018****Womenswear - UK**

“The womenswear market is facing challenging times, with many of the major players in the market seeing weaker sales growth. In a more competitive retail environment, retailers must make sure they have a compelling product offer and a real understanding of what their customers want. Retailers can no longer get ...

**April 2018****Department Stores - UK**

“The UK department store sector remains challenging, with a number of the leading players struggling to carve out their niche in a crowded retail market. Innovation has been centred on creating a compelling in-store environment and whilst this is important, research suggests that department store retailers should be doing more ...
