### March 2023

#### Motor Insurance - UK

“The motor insurance market faced a tough 2022 as a result of claims inflation and new regulation. Despite these difficulties, the market will be resilient in the long term as motor insurance remains an essential purchase for drivers. Opportunities to evolve with technological and environmental developments will help insurers appeal ...

#### Car Review - UK

“Difficulties for the UK car market continue as the current cost-of-living crisis delays what was expected to be a rapid return to normality after the recent pandemic. Yet despite this, demands from car owners continue to evolve. Currently focused on affordability, long-term demands span vehicle flexibility, environmental impact and innovation ...

### January 2023

#### Electric and Hybrid Cars - UK

“Despite the poor performance for the wider car market, demand for electric and hybrid cars remains strong. Yet with a cost of living crisis placing pressure on finances, even sales in this sector cannot be guaranteed to grow as predicted. Coupled with a need to invest in charging infrastructure to ...
