Holiday Rental Property - UK

"Holiday rentals are performing well in a difficult market, remaining stable in the UK market which is declining overall. Overseas holidays are rising, but consumers are increasing their use of hotels and moving away from the more cost-effective options. There are opportunities to appeal to a new audience and perhaps ...

Baby Boomers Travel - UK

"Baby Boomers have lived through all of the key changes that have taken place within the travel industry over the past few decades, through the early years and development of the package holiday industry, the birth of backpacking, the emergence of low cost air travel, online booking and the growth ...

Consumers and the Economic Outlook: Quarterly Update - UK

"The generally positive outlook of the economic climate, and the benefits that are gradually being witnessed at the individual level, means that the people of Britain are finally regaining their confidence. For the first time since the economic downturn, Mintel's data shows that more people feel better off compared to ...

Business Traveller - UK

"Travel management companies will need to adapt to the fact that business travellers are increasingly taking control of their trips, arranging and booking themselves on many of the wide array of smartphone apps available. In addition, companies are sending more of their employees on business trips. However, they are travelling ...
