Jewellery & Watches retailing - UK

"The UK jewellery and watches market has continued to see strong value growth, but this is largely due to continued demand for luxury and high ticket items. The mid-market brands and retailers are suffering from many of the same issues as other fashion and high street retailers, such as growing ...

Consumers and the Economic Outlook - Quarterly Update - UK

"Consumers continue to worry about the impact Brexit will have on the UK economy. But people are still focussing much more on their own financial situations, which are currently in a pretty healthy state. The base rate rise will make it harder for some, but the general outlook is positive ...

Occasionwear (including partywear & bridalwear) - UK

"Although the occasionwear market continues to be highly seasonal, with significant peaks in the summer and winter months, consumers show a willingness to buy new fashion for a variety of different occasions which is helping to buoy demand throughout the year. As retailers look to capitalise on the strength of ...

Footwear Retailing - UK

"The footwear market is continuing to grow, but this growth is predicted to slow down over the next few years as the implementation of Brexit will undoubtedly create more uncertainty. Once again we see that men's footwear is driving growth in the sector as the popularity of trainers is yet ...
