### **Adult Social Care - UK**

“With the demand on services only expected to increase, councils need to embrace more innovative solutions to mitigate the financial risk this issue presents. However, the continued delay in the publication of the Green Paper is a sign of the ongoing lack of consensus and thinking that should be being ...

### **Dentistry - UK**

“As part of the ongoing response to the pandemic, the interruption to dental service provision has had, and will continue to have, an impact on the income and sustainability of practices, dental laboratories, the dental supply sector, self-employed dental care professionals and support staff. Whilst the risk of widespread insolvency ...
